

Make Your Own Dust Bunny Buddy

Make your very own dust-free dust bunny with materials from around the house.

You'll need:

- ✂ Cotton balls
- ✂ Glue

Here's How:

1. Print out the next page. Draw whiskers on the dust bunny.
2. Glue cotton balls onto the bunny. Make the bunny as fluffy as you'd like!
3. Give your dust bunny a name. (But don't bring it to Flying Fairy School—Mrs. Sparklenose is allergic!)

Dust Bunny Buddy
